From,

Deputy Commissioner,

To

The Chief Secretary to the
Dewan of Mysore.

Sir,

I have the honor to submit herewith for favorable consideration Grama Deputy Amildar's report no: 801 of the 8th Instant, containing proposals for the establishment of a Municipality at Grama, in the Hassan Taluk.

2. Grama was at one time the Head Quarters of a Taluk and is still a large and important town, a market place and situated on the high road to Mangalore. It Contains 255 houses and a population

population of 1472 souls. It is now the Head Quarters of the Deputy Assistant Commissioner. Sanitation, always important, is rendered more difficult in consequence of the large Brahmin population who of course will not attend to cleanliness outside their houses. The constitution of a Municipality for Street Conservancy and drainage is therefore absolutely necessary and has the approval of a considerable proportion of the Community.

3. The Municipal Revenue may consist of the usual sources except Octroi which need not be introduced. The present Mohatsufa Revenue is ~~Rs~~ 240 (in round numbers). The tax on houses now exempted is estimated to yield ~~Rs~~ 210 (in round numbers) making a total of ~~Rs~~ 450. Half of this will have

to go to Government unless otherwise directed. The remaining moiety of ~~Rs~~ 225 would meet the cost of a small but useful Conservancy Establishment. If the moiety can be spared by Government for the first few years of the infancy of the Municipality, many useful drains can be constructed at once.

4. From the statement of Income & Expenditure contained in the enclosed Vernacular file it will be seen that the Revenue of the three previous years have all been collected by this date. But as is most probable the full demand of the year is not generally realized by the close of the year; and not more than a fourth of such Demand may remain uncollected. Even then ~~Rs~~ 330 in round figures will be available and a moiety of this will meet the Cost of a Conservancy Establishment. I have the honor to be

Sir
Your most obedient servant.

To,
The Chief Secretary to the
Govert of Mysore.

Sir,

I have the honor to State that the inhabitants of Grama in Japan Taluk desired the introduction of Municipal rules into their Station in the year 1886. The matter was brought to the notice of Govert and the formation of a Municipality was also sanctioned in Pros no 6962-3/214 dated 26th January 1887. But before the needful arrangement

was made the residents pe-
-titioned the Dewan protest-
-ing against it urging that it
would inconvenience them
to a great extent. This petition
was sent to this office with
Your Docket No. 791 dated 21st
March 1887 ordering the
abeyance of the introduction
of the rules. -

2. When I visited the village
recently the inhabitants
represented to me that the
village is growing in import-
-ance and that the Municipal
rules should be introduced
and that they were all ready
to pay the taxes. They also
executed a Mutchalika to
the effect. -

3. The formation of Municipality

proposals submitted. As the
residents in one voice consent-
-ed for the Establishment of
the Municipality, I have
given effect to the Govt
order sanctioning the Esta-
-blishment above referred to.-

Under these circumstances
I beg you will be good enough
to obtain sanction of Govt
for the Enclosed Budget so
that the Municipality may
be worked from 1st July 1893.-

To,

Sir K. Seshadri Iyer Esquire,
Dewan to His Highness
The Maharaja of Mysore.

Honored and Respected Sir,

We the undersigned ryots residing at Gramah in the Hassan Taluk beg to bring the following few lines to your honors Kind Consideration hoping that our humble prayers will meet with Success.

We beg leave to say that from the time of our forefathers we have been living a wretched life having no other Sufficient means for our livelihood but that of a few plots of dry and wet lands aquired by our ancestors.

About the year 1887 or 1888 when Mr. Narasimha Rauty was the Amildar of our Sub Taluk Mr. Somarangam Moodlia Assistant Commissioner of Hassan

had been to Granoli & Jamabandy
duties and enforced upon us the Municipal
Rules by taxing Inoba tarfa Condayam giving
no heed to our humble prayers.

Upon this we petitioned your honor
to redress our grievances making known to
your our low and wretched Condition and
our inability to pay the Condayam. When
your honor gave ready ear to our Complaint
and issued orders to the Deputy Commissioner
Stating that Municipal Rules should
not be enforced on ryots without their
Consent.

Whereas the Deputy Commissioner
during the recent Jamabandy of our
Sub Taluk ordered us to pay the Municipal
Condayam as it has been levied under
the orders of the Government informing us
at the same time that if the Condayam
is not paid in due course of time
the amount will be recovered by the
Sale of our Movable property.

As the above quoted rules are
hard pressed upon us we seek
refuge

refuge in your honor's generosity and
humbly beg your honor ~~May~~
be graciously pleased to issue an
order to the Deputy Commissioners
not to enforce these rules upon
poor ryots as we are and to favour us
with an Endorsement to the above
effects.

~~We~~ this act of kindness &
generosity we shall as in duty bound
pray for your honor's prosperity and
Longivity.

We, remain,

Respected Sir,

Your honor's most humble & obedient
Servants

Residents of Gramah,

It seems clear that the petition was got up by irresponsible persons and the Municipality having been established after full consideration of the interests of the town, the endorsement may be given to the effect that Govt decline to interfere.

To,

The Chief Secretary to the
Government of Mysore

Sir,

Adverting to your docket No 8747 dated 4th December last forwarding for report petition from Chickka Gowda and others of Grama protesting against the formation of the Municipality at the place, I have the honor to submit that from enquiries made it has been ascertained that out of the five persons whose signatures are affixed, two denied having signed the petition while two others stated that they signed the petition as the tax imposed upon their houses being according to their judgment rather heavy and beyond their means in order to get the assessment lessened that they did not wish for the abolition of the Municipality.-

2. A second petition was received with your

your No 12053 / 2 F 215-92 dated 26th January 1894. On a second enquiry made four persons said that because they were pressed for Kandayen they addressed the petition and that if the Village gets the tax light tend they may be also benifitted and that otherwise they did not mind it. Two others said they signed without knowing the Contents of the Petition at the instance of Nagarajaiya. ~~~ The rest ignored the petition and said that their names have been fabricated. .-

Kellengere Kesavabhar stated that he wrote the petition at the dictation of Nagarajaiya being his Gumasta and that then none of those whose names appear as signatories were present.

3. I myself went to the place and made enquiries of all the leaders and intelligent men. They are all anxious to have the Municipal administration left undisturbed. I was glad to notice that they were taking great interest in the working of the Board. The town has wonderfully improved in cleanliness. -

4. The petition is due to the instigation of Nagarajaiya aforesaid who is discontented because

2/ because I refused to recommend him to be a member of the Board. He has figured frequently in Criminal Courts and has been also Convicted and is not sufficiently respectable. Hence the attempt to oppose the action of the majority of the Village. –

Petitions returned. –

I have the honor to be
Sir
Your most obedient Servant

When was the municipality formed? If recently, send up papers

21/11/93

The municipality was only recently sanctioned i.e 14 July 1893. Govt had in 1887 given a conditional sanction to its formation if the inhabitants agreed. The latter having petitioned to have it established, Govt sanctioned the municipality on the Dy Com[r]s recommendation. Mr Bannaiya promised while at mysore to enquire and send a report (vide his demi-official letter dated 18/10/93). The present petition may be forwarded for his early report.
